

What you need to know for 2024

NZCER's refresh of the PATs is well underway, with features including:

- An equitable focus in design and content
- Improved accessibility, including audio support
- A new test for Year 3
- Updated norms

PAT Pāngarau | PAT Mathematics options 2024

	Tests	2024
Supplementary PAT: Maths	Tests 1A – 6A (online/paper)	✗
PAT: Maths (2011 version)	Tests 1 – 7 (online/paper)	✗
PAT Pāngarau PAT Mathematics adaptive	Online	✓
PAT Pāngarau PAT Mathematics	Tests 1 – 8 (online/paper)	✓

Changes for 2024

You will need to replace your current paper tests for PAT: Mathematics from 2024.

- If you want to use paper tests for Maths in 2024, you will need to purchase the refreshed materials.
- New tests will be available for purchase from 1 November 2023.
- The old version PAT: Mathematics booklets and answer sheets will not be available for purchase after 1 November 2023.

Marking keys for paper tests

- Marking keys for the PAT: Mathematics tests will no longer be available from 2024. Schools enter student responses into NZCER Assist and reports are immediately generated.

PAT: Mathematics online

- All online PAT: Mathematics tests (standard and adaptive) will move to the refreshed content.

PAT: Mathematics norms

- Updated norms for PAT Pāngarau | PAT Mathematics will be available at the start of Term 1, 2024.
